Photos by American Press Association.

HESE rather unusual views of the greatest warship in the world in service, the mighty Texas, of Uncle Sam's fast growing navy, were taken from the Brooklyn bridge, New York. The great floating fortress was on her way to the Brooklyn navy yard to take on het final fitting of small ordnance. One picture shows a general view of the deck looking down on the front of the ship. Four of the ten fourteen-inch game with which she is equipped are seen. The other picture shows a close view of the fighting mast, and the officers in it exchanged greetings with the photographer as the vessel swept beneath the giant span.

That Calumet beer is a healthful beverage is not simply an idle claim. It is endorsed and its use is recommended by leading physicians.

Because Calumet beer is the product of such wholesome elements as pure Lake Superior water and nourishing and healthful barley and hops.

Its food ingredients are predigested.

Our process of browing is a sterilizing one throughout. Germ contamination is absolutely impossible, and the prod-
